HOP ON, HEAD TO JAFF!

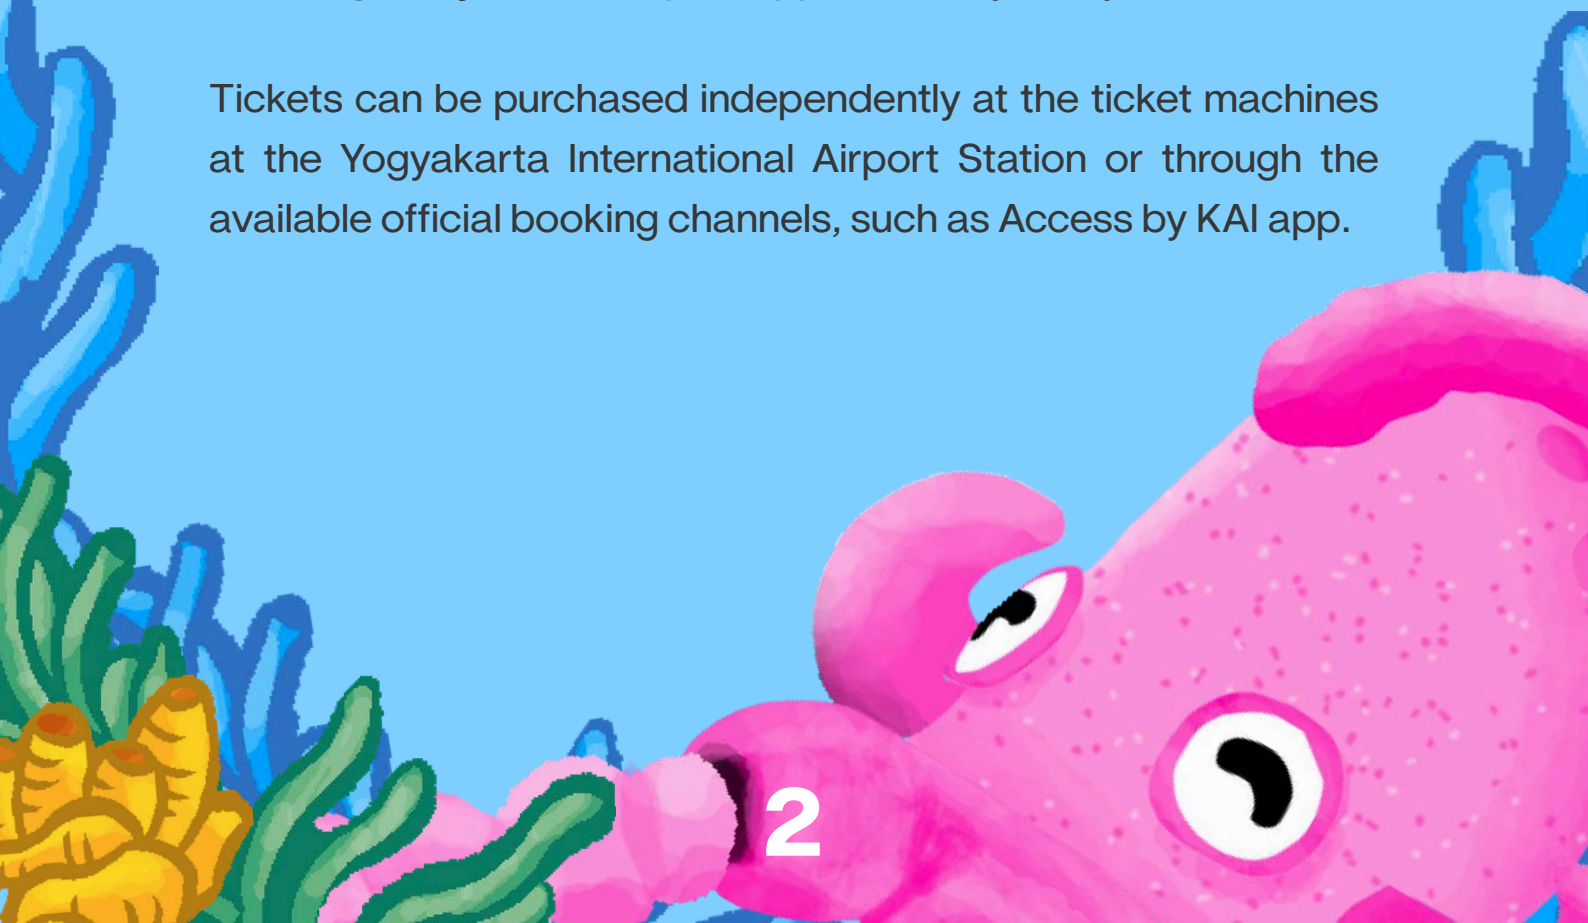
Yogyakarta International Airport (YIA) to The City

Yogyakarta International Airport (YIA) is located approximately 45 km from the city centre or the festival venue. Travelling by car may take around 1.5 hours, depending on traffic conditions.

Therefore, we highly recommend taking the airport train for a much faster and more comfortable journey. Here is some information for your reference:

- **Regular Train Ticket**: Rp20,000 (Approx. 40-minutes travel time)
- **Express Train Ticket**: Rp60,000 - Rp75,000 (Approx. 35-minutes travel time)
- **Frequency**: Trains depart approximately every hour

Tickets can be purchased independently at the ticket machines at the Yogyakarta International Airport Station or through the available official booking channels, such as Access by KAI app.



Yogyakarta Tugu Station

Upon arriving at Yogyakarta Tugu Station, there are several transportation options available to reach your hotel or festival venue.

Ride-hailing Service

You can use ride-hailing applications such as Grab or Gojek to book a car or motorcycle ride.

Haven't installed either app yet? No problem! Head toward the station exit and look for the official Grab or Gojek booth. The staff will be glad to help you book a ride to your destination.

Public Transportation - TransJogja

Another option is TransJogja, Yogyakarta's Bus Rapid Transit (BRT) system.
To find the most suitable route, open Google Maps, enter your destination, and select the public transportation icon to see available routes, estimated travel times, and nearby bus stops.
TransJogja operates on a flat-fare system, meaning you pay a fixed fare per trip. Available payment methods may include cash, QRIS, or electronic money (e-money) cards, which can be purchased at convenience stores.

JAFF AWARDS

After two decades as part of Asian cinema's journey, the Jogja-NETPAC Asian Film Festival (JAFF) introduces the JAFF AWARDS 2026, an annual awards program with a kaleidoscopic approach that recognizes the individuals, works, communities, institutions, and practices that have helped shape cinema. The JAFF AWARDS are a way of giving back to the community that has grown alongside JAFF, and a space to celebrate the achievements, dedication, collective works, and contributions that have made an impact to the film ecosystem.

The JAFF AWARDS stem from the idea that cinema's growth cannot be measured only by the films it produces or their artistic achievements. Many ideas, initiatives, collective efforts, and practices also help keep the ecosystem moving. For this reason, the JAFF AWARDS aim to look at cinema's development kaleidoscopically, year by year. The award categories will continue to evolve, reflecting what is growing and what is making a meaningful impact on the ecosystem.

The first edition of the JAFF AWARDS in 2026 marks a new step in JAFF's growth. While JAFF Festival brings together films, audiences, and film culture, and JAFF Market connects industry professionals through its network, the JAFF AWARDS serve as a space for recognition and contribution, highlighting the many roles and practices that help sustain the Asian cinema ecosystem.

PARKING INFORMATION

The 21st edition of the Jogja-NETPAC Asian Film Festival (JAFF21) takes place at a few locations: XXI Empire, ARTOTEL Suites Bianti Hotel, and LPP Yogyakarta. Some venues are a 5-to 9-minute walk apart; others are farther apart. So plan your schedule accordingly and refer to the Festival Map.

Visitors to festival events at LPP Yogyakarta and XXI Empire can park their vehicles at **LPP Yogyakarta Parking Area**. Due to limited parking capacity, all lots operate on a first-come, first-served basis.

To help minimize traffic congestion around the venue, we highly encourage all participants to utilize public transportation or ride-hailing services. Walking is also a great option, and well-lit pedestrian paths and sidewalks throughout the city are often the quickest way to get around.

SIMPLE TIPS, BIG GREEN IMPACT!

Yogyakarta is rich in cultural heritage but faces waste management challenges as its population grows. As visitors, we can contribute to preserving the city's beauty by adopting simple, eco-friendly habits during the festival:

- Walk or use public transport to reach festival venues.
- Opt for digital guidebooks instead of printed ones.
- Keep shared spaces clean and dispose of waste properly.
- Avoid food waste and single-use plastic; use reusable water bottles or bags.
- Sort your waste using the bins provided at all festival areas.
- Please use restroom facilities responsibly and avoid unnecessary water consumption.

Together, these small actions can make a big difference in keeping Yogyakarta clean and enjoyable for everyone.
