## KEEPING THE BEAUTY OF YOGYAKARTA SIMPLE ECO-FRIENDLY TIPS

Yogyakarta is the city rich in cultural heritage but faces challenges with **waste management** due to its growing population. As visitors, we can contribute to preserving the city's beauty by **adopting simple, eco-friendly habits** during the festival:

1. Walk or use public transport to reach festival venues.
2. Opt for digital tickets and guidebooks instead of printed ones.
3. Keep shared spaces clean and dispose of waste properly.
4. Avoid food waste and single use plastic; use refillable water bottles at available water stations.
5. Sort your waste using the bins provided at all festival areas.
6. Use restrooms responsibly and conserve water.

Together, these small actions can make a big difference in keeping Yogyakarta clean and enjoyable for everyone.

## PARKING INFORMATION

Jogja-NETPAC Asian Film Festival (JAFF20) takes place at eight locations: Empire XXI, GIK UGM, Artotel Suites Bianti Hotel, LPP Demangan, Sender Coffee Demangan, Tentrem Hotel, Omah Jayeng Museum. Some places are separated by 5 to 9 minutes walk, some places are quite far apart. So make sure to **plan your schedule accordingly and refer to the Festival Map.**

**Parking is very limited on the west side of Empire XXI,** which is the festival's main venue, and all lots operate on a first-come, first-served basis. Please help reduce traffic jams by **using public transportation. Walking is also a great** option on well-lit pedestrian paths and sidewalks throughout the city are often the quickest way to get around.
